

## **Landscape Designer & Plant Specialist**

Clearwater Summit Group, established in 1983, is a dynamic landscape design, construction, and maintenance company dedicated to transforming outdoor environments. Join our vibrant team to contribute to creating captivating residential, commercial, and public spaces across the Inland Northwest. As a Landscape Designer & Plant Specialist at Clearwater Summit Group, you will be working in a fast-paced, environment with a team of over 100 skilled landscape professionals on a wide variety of projects.

### **Position Details**

**Salary:** \$28-\$35 per hour depending on experience

**Benefits Package:** 401(k) with employer match, bonus opportunities, paid time off and paid holidays, industry training, schedule flexibility, medical insurance, and dental insurance options.

**About this Position:** We are seeking an experienced landscape designer with extensive plant knowledge to join our design-build team. Candidates should demonstrate the ability to effectively collaborate with colleagues, develop residential designs, develop thoughtful planting plans, and support project management of construction activities.

### **Responsibilities Include:**

- Coordinate and communicate with clients and landscape architects/project managers from project inception through implementation.
- Design planting plans with consideration to the client's requests, plant suitability, and design principles.
- Draft AutoCAD plans based on conceptual drawings and verbal direction provided by colleagues.
- Assist in development of layout and grading plans, irrigation plans, lighting plans, construction details and specifications utilizing AutoCAD.
- Demonstrate ability to work individually and under the direction of landscape architects/project managers to meet project deadlines.

### **General Requirements:**

- Minimum 1 year of experience in landscape design.
- A bachelor's degree in Landscape Architecture; equivalent degree and/or professional experience will be considered.
- Extensive knowledge of regional plant materials, climate, and care.
- Knowledge of general landscaping and installation of hardscapes, including rock and modular walls, pavers, and water features.
- Knowledge of construction methods and operations preferred.
- Proficiency with computer applications: AutoCAD and Microsoft Office (Word, Excel, PowerPoint). Working knowledge of SketchUp, Lumion, Land F/X, Adobe Creative Suite, Bluebeam, and other industry software is a plus.

**Work Location:** The Clearwater Summit Group, Inc. administrative office is located in Spokane Valley, WA. This position also requires the employee to travel to job sites across eastern Washington and North Idaho.

**To Apply:** Submit a cover letter, work samples, resume, and references in electronic format to [nkahler@clearwatersummitgroup.com](mailto:nkahler@clearwatersummitgroup.com).
